JOHN J. FORD, JR.

$20.00 Gold Coin 1853, 900 (narrow) THOUS.
United States Assay Office of Gold
San Francisco, California

Regular issue for circulation 515 Grains USAOG-128

Property of: Mr. Henry H. Clifford, 639 South Spring St.,
Los Angeles, Calif. 90014 (P-175)

Obv. Heavy pointed dig and deep (mostly) horizontal nick on shield. Center field tooled and chased.
Rev. Vertical nick in field between OD of GOLD and IS of FRANCISCO. Small abrasion on rim of engine turned design at about 11:30 o'clock.

Coin to be analyzed by X-Ray Fluorescence to determine as accurately as possible (by parts per thousand) the percentage of gold and silver and/or copper in the alloy.

Original certificate to be sent to John J. Ford, Jr., 176 Hendrickson Avenue, Rockville Centre, N.Y. Duplicate certificate to be sent to Mr. Harvey Stack, c/o Stack's, 123 West 57th St., New York City, N.Y.

Coin, after testing, to be sent to Mr. H. H. Clifford at the above address.
